WHAT TO EXPECT

We have a very different approach to makeup application. We are here to help you look your best and fit your specific commercial makeup need using high quality tools and products. Infection control is a priority. We bring professional lighting, a table and client chair, as needed.

With DLU Cosmetics, we partner and collaborate with you to design the look you are looking for.

We use airbrush foundation to leave your skin ready for hi-definition cameras, perfect for commercial shoots and professional media looks. Airbrush foundation produces the highest quality, long lasting, beautiful and natural looking skin ready for HD cameras.

INFECTION CONTROL

SANITATION/INFECTION CONTROL

Even before Covid-19, we've always taken infection control very seriously. We properly clean and disinfect our makeup kits, brushes and surfaces. Please be assured that we are following state and federal regulations as well as utilize Personal Protective Equipment (PPE) and disinfection protocols to limit transmission of ALL diseases, not just Covid-19.

You can be sure we are doing everything to limit the spread of any diseases and viruses on our end .
